"BOB CARLON"  
LONG COURSE QUALIFYING MEET  
SUNDAY 17TH NOVEMBER 2024  
MANLY ANDREW 'BOY' CHARLTON AQUATIC CENTRE, KENNETH ROAD, MANLY**

This meet is named in honor of Manly Swim Club Life Member Bob Carlon who passed away on the 1<sup>st</sup> of February 2020.

Bob was a member of the Manly Swim Club for 65 years and joined the club in the 1960's when the club was situated at The Manly Baths

He was President for five years and Treasurer for 12. He was an Alderman on Manly Council in the 1970s. Whilst on council he was major influencer in choosing the initial site of the Manly pool now.

He was a great swimmer and loved distance events. He even swam from Luna Park to Manly as part of the celebrations for the opening of the Sydney Opera House.

He was also a champion diver.

This club has a proud tradition of teaching children how to swim. For more than 50 years, Bob assisted children as young as 3 and 4 years of age in learning how to compete. He's then watched them grow into adults, with children of their own who become members and he's assisted once again.

The starting block can be a nervous place especially for the young competitors in the 15 metres. But with Bob's kind words and gentle manner, he has sent off many unwilling swimmers only to welcome them back week after week to do it all again.

He is one of nature's true gentlemen and we thank him for his work, and name this Swim Meet after him.
